# JEZEBEL HARLOT QUEEN OF ISRAEL

**A Game of Gods. A Clash of Titans.**

They thought she was bringing unity, progress and change to ancient Israel. She brought Baal, the storm god of Canaan.

An epic Bible novel about the supernatural conflict between ruthless Queen Jezebel, fiery prophet Elijah and heroic warrior

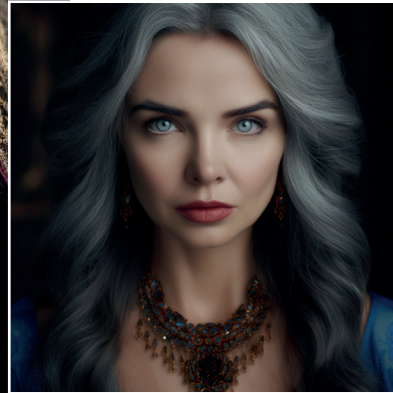

Jehu, protector of Israel. Hell is unleashed as the demonic gods of

Canaan fight the archangels of God for control of the Holy Land.

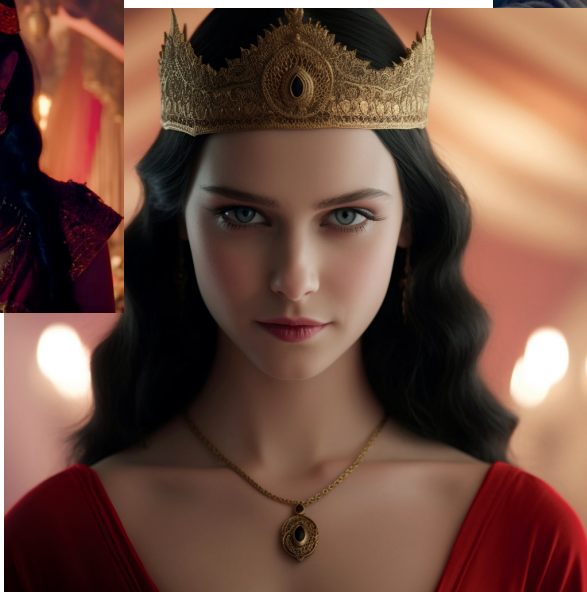

## JEZEBEL/IZABEL

Daughter of King Ethbaal of Tyre. She will bring the cultural sophistication and religious pluralism of cosmopolitan Phoenicia to the backwoods nation of Israel. Though she marries King Ahab for foreign diplomacy, she falls in love with him because of his open-minded tolerance. But she'll always be her daddy's girl. And she loves her some Baal.

## KING AHAB

The warrior king of Israel who falls head over heels in love with his new bride Izabel of Tyre. He never dreamed a political marriage would bring such happiness. But he is haunted by the fact that his family dynasty began with a violent coup, so he's paranoid of revenge. He builds up his war machine because that's the one thing he's really good at.

## ATHALIAH

The young sister of King Ahab. She is taken under Queen Izabel's wing to learn royal ways because Athaliah is pledged to marry a prince of Judah. The marriage will bring a cessation of hostilities between the split kingdoms of Israel and Judah. Ah, but she will learn a lot more than royal ways from her cunning Phoenician mentor.

## ELIJAH

He heads the School of the Prophets of Yahweh. He's a curmudgeon who perpetually annoys Ahab with his condemnations. But he is a prophet of Yahweh respected by the people, so Ahab maintains a healthy distance. Elijah is about to bring a confrontation of the gods that will upend Ahab's kingdom and Jezebel's plan for religious pluralism and peaceful co-existence.

## ELISHA

A star student of Elijah's in the School of Prophets. But he is a revolutionary hot head who has a violent streak in him that may endanger everything Elijah has done for the school. Elisha is about to discover that being a prophet isn't a job of glory, but persecution and death.

## JEHU

The Commander of the Army of King Ahab, and a close friend of the king's from their youthful days. He is a man who values obedience to Yahweh and to Yahweh's anointed king above his own life. But that dual loyalty is about to be brought to its breaking point and will jeopardize everything Jehu holds dear in his life, including his family.

## ETHBAAL

The king of Tyre and father of Jezebel. He secures his reign through subterfuge and treason. A treaty with Israel strengthens his economic power, and his forbidden incestuous interest in his daughter hastens his descent into judgment.

## HAMILOART

A high priest of Ba'al, he has fallen in love with young Izabel in Tyre. And now with her rise to power, he is driven into despair from his separation from the only queen of his heart. What is he willing to do to regain her affection?

## JORAM

Son of Jezebel and inheritor of the throne. He rises from libertine to military commander and faces Jehu and Elisha in the ultimate contest for control of the kingdom.

## KING JEHORAM

Husband to Athaliah, Jezebel's daughter. He is brother of the king of Judah and next in line for the throne of that southern kingdom. He thinks he will bring about political peace between Israel and Judah. But since he stands against Elijah, he will only bring down judgment.

## OBADIAH

The palace administrator for King Ahab. A loyal elderly servant of the king, he is also a devoted follower of Yahweh, and for this, Jezebel despises him. He supports the Sons of the Prophets and the Rechabites against Baalism. But how long can he keep his treasonous secret from the Queen?
